Irrigation Projects like Bhadra, Tungabhadra, Ghataprabha, Malaprabha, Upper Krishna and Kabini Projects. He will at periodic intervals inspect the Projects in execution, and advise Government on action to be taken to expeditiously complete them with economy and efficiency. When such inspections are conducted, the Chief Engineer, Major Irrigation, will furnish all necessary information and render such assistance as may be required.

(3) He will advise and assist Government in the various matters and negotiations pertaining to sharing of waters between Mysore and other States, and in particular the revision of the Cauvery River Agreement, the sharing of the waters of Krishna and Godavari Rivers, and the issues regarding Thungabhadra.

(4) He will function as the Chairman of the Standing Committee of Chief Engineers functioning under Government Order No. PW Adm. 342-45/Adm. 4-56-3, dated 11th December 1956.

(5) He will periodically review the progress of work included in the Five-Year Plans in the Public Works and Electricity Departments, advise Government on steps to be taken, if any, and effect Plan Co-ordination.

(6) As Administrator of Sharavathi Valley Hydro-Electric Project, he will be in overall charge of the Project, and will inspect the works frequently to ensure expeditious, economical and efficient execution of the work, and will take such steps as may be necessary to ensure the completion of the work by the target date. The Special Chief Engineer, Sharavathy Valley Project, and the Chief Engineer, Hydro-Electric Construction Projects, in so far as this Project is concerned, will work under the general control and guidance of the Administrator. All important references to Government from them will be routed through the Administrator, except such routine matters as may be specified by him.

(7) The Adviser will be a Member of the following Committees:—

(a) Standing Technical Advisory Committee;
(b) Bhadra Project Board;
(c) Hydro-Electric Projects Construction Board.

He will be the Chairman of the Civil Engineering Sub-Committee of the Hydro-Electric Construction Project Board.

(8) He will tender advice and assist Government on such other matters as may be referred to him from time to time.

The Chief Engineers and other Officers will furnish such information as may be required by the Adviser on matters pertaining to the Public Works Department and give him necessary assistance in the discharge of his duties.

By Order and in the name of the Governor of Mysore,

G. V. K. RAO,
Secretary to Government,
